		GREEN RIDG PRIMARY ACADEM	E MY
Ī		Year 1	Year 2
		Pupils should be taught to:	Living things and their habitats
			-explore and compare the differences between things that
		<u>Plants</u>	and things that have never been alive
		-identify and name a variety of common wild and garden plants, including	-identify that most living things live in habitats to which they
		deciduous and evergreen trees	describe how different habitats provide for the basic needs
		-identify and describe the basic structure of a variety of common flowering	of animals and plants, and how they depend on each other
		plants, including trees.	-identify and name a variety of plants and animals in their h
			micro-habitats
		<u>Animals</u>	-describe how animals obtain their food from plants and ot
		-identify and name a variety of common animals including fish, amphibians,	using the idea of a simple food chain, and identify and nam
		reptiles, birds and mammals	sources of food.
		-identify and name a variety of common animals that are carnivores, herbivores	
		and omnivores	<u>Plants</u>
	o	-describe and compare the structure of a variety of common animals (fish,	-observe and describe how seeds and bulbs grow into mat
	nce	amphibians, reptiles, birds and mammals, including pets)	-find out and describe how plants need water, light and a s
	er	-identify, name, draw and label the basic parts of the human body and say which	temperature to grow and stay healthy.

### Everyday materials

- -distinguish between an object and the material from which it is made -identify and name a variety of everyday materials, including wood, plastic, glass,
- metal, water, and rock
- -describe the simple physical properties of a variety of everyday materials -compare and group together a variety of everyday materials on the basis of their simple physical properties.

# Seasonal changes

-observe changes across the four seasons

part of the body is associated with each sense.

-observe and describe weather associated with the seasons and how day length varies.

- it are living, dead,
- ey are suited and ds of different kinds
- habitats, including
- other animals. me different
- ature plants suitable

# Animals, including humans

- -notice that animals, including humans, have offspring which grow into adults
- -find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- -describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

# Materials

- -identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses
- -find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching

	Year 1	Year 2	
History	<ul> <li>Pupils should be taught to: <ul> <li>Pupils should develop an awareness of the past, using common words and phrases relating to the passing of time. They should know where the people and events they study fit within a chronological framework and identify similarities and differences between ways of life in different periods.</li> <li>Pupils should use a wide vocabulary of everyday historical terms. They should ask and answer questions, choosing and using parts of stories and other sources to show that they know and understand key features of events.</li> <li>Pupils should understand some of the ways in which we find out about the past and identify different ways in which it is represented.</li> </ul> </li> </ul>		
Hist	Lives of significant individuals  Christopher Columbus and Neil Armstrong (comparison of different periods)	Events beyond living memory with significance The Great Fire of London, including Bonfire Night and Guy Fawkes Significant historical events, people and places in their own locality Roald Dahl (visit to Bucks museum and Aylesbury Old Town) Significant Individual Mary Seacole & Florence Nightingale	
Geography	Pupils should be taught to:  Locational knowledge -name and locate the world's seven continents and five oceans -name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas  Human and physical geography -identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles  Geographical skills and fieldwork -use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map -use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.	Place knowledge understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom (Isle of Coll), and of a small area in a contrasting non-European country (Kenya)  Human and physical geography -use basic geographical vocabulary to refer to: -key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather -key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop  Geographical skills and fieldwork -use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage -use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.	

	Year 1	Year 2	
RE	<ul> <li>For Christianity, children will learn:</li> <li>What people believe about God, humanity and the natural world;</li> <li>How and why some stories are sacred and important in religion;</li> <li>The main celebrations and how and why these are important;</li> <li>How and why symbols express religious meaning;</li> <li>Figures who have an influence on others locally, nationally and globally in religion;</li> <li>Where and how people belong and why belonging is important.</li> <li>In exploring these aspects of the religion, the children will also reflect on:</li> <li>Their own sense of who they are and their uniqueness as a person in a family and community;</li> </ul>	<ul> <li>For Judaism, children will learn:</li> <li>What people believe about God, humanity and the natural world;</li> <li>How and why some stories are sacred and important in religion;</li> <li>The main celebrations and how and why these are important;</li> <li>How and why symbols express religious meaning;</li> <li>Figures who have an influence on others locally, nationally and globally in religion;</li> <li>Where and how people belong and why belonging is important.</li> <li>In exploring these aspects of the religion, the children will also reflect on:</li> <li>Their own sense of who they are and their uniqueness as a person in a family and community;</li> </ul>	
	<ul> <li>What they believe, why what they think is important and how these influence their day-to-day lives.</li> <li>Pupils should be taught to:</li> </ul>	What they believe, why what they think is important and how these influence their day-to-day lives.	
Computing	<ul> <li>understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions</li> <li>create and debug simple programs</li> <li>use logical reasoning to predict the behaviour of simple programs</li> <li>use technology purposefully to create, organise, store, manipulate and retrieve digital content</li> <li>recognise common uses of information technology beyond school</li> <li>use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.</li> </ul>		
Music	Pupils should be taught to:  - use their voices expressively and creatively by singing songs and speaking chants and rhymes - play tuned and un-tuned instruments musically - listen with concentration and understanding to a range of high-quality live and recorded music - experiment with, create, select and combine sounds using the inter-related dimensions of music.		

	Year 1	Year 2
DE	Pupils should be taught to: <u>Games/Gym/Dance</u> -master basic movements including running, jumping, throwing and catching, as w in a range of activities -participate in team games, developing simple tactics for attacking and defending -perform dances using simple movement patterns.	rell as developing balance, agility and co-ordination, and begin to apply these
Art & Design	<ul> <li>- to develop a wide range of art and design techniques in using colour, patt</li> <li>- about the work of a range of artists, craft makers and designers, describing</li> </ul>	ern, texture, line, shape, form and space
Design Technology	Pupils should be taught to:  Design  -design purposeful, functional, appealing products for themselves and other users -generate, develop, model and communicate their ideas through talking, drawing, communication technology  Make  - select from and use a range of tools and equipment to perform practical tasks [for -select from and use a wide range of materials and components, including constructions of the components of th	templates, mock-ups and, where appropriate, information and rexample, cutting, shaping, joining and finishing] action materials, textiles and ingredients, according to their characteristics

Year 1 Year 2

# Health and Wellbeing

- H2. to recognise what they like and dislike, how to make real, informed choices that improve their physical and emotional health, to recognise that choices can have good and not so good consequences
- H3. to think about themselves, to learn from their experiences, to recognise and celebrate their strengths and set simple but challenging goals
- H4. about good and not so good feelings, a vocabulary to describe their feelings to others and to develop simple strategies for managing feelings
- H5. about change and loss and the associated feelings (including moving home, losing toys, pets or friends)
- H8. about the process of growing from young to old and how people's needs change
- H9. about growing and changing and new opportunities and responsibilities that increasing independence may bring
- H12. rules for and ways of keeping physically and emotionally safe including responsible ICT use and online safety, road safety, cycle safety and safety in the environment, rail, water and fire safety
- H13. about people who look after them, their family networks, who to go to if they are worried and how to attract their attention
- H14. about the ways that pupils can help the people who look after them to more easily protect them
- H15. to recognise that they share a responsibility for keeping themselves and others safe, when to say, 'yes', 'no', 'I'll ask' and 'I'll tell' including knowing that they do not need to keep secrets
- H16. what is meant by 'privacy'; their right to keep things 'private'; the importance of respecting others' privacy

#### Relationships

- R1. to communicate their feelings to others, to recognise how others show feelings and how to respond
- R2. to recognise that their behaviour can affect other people
- R3. the difference between secrets and nice surprises (that everyone will find out about eventually) and the importance of not keeping any secret that makes them feel uncomfortable, anxious or afraid
- R4. to recognise what is fair and unfair, kind and unkind, what is right and wrong
- R5. to share their opinions on things that matter to them and explain their views through discussions with one other person and the whole class
- R6. to listen to other people and play and work cooperatively (including strategies to resolve simple arguments through negotiation)
- R7. to offer constructive support and feedback to others
- R8. to identify and respect the differences and similarities between people
- R9. to identify their special people (family, friends, carers), what makes them special and how special people should care for one another
- R10. to judge what kind of physical contact is acceptable, comfortable, unacceptable and uncomfortable and how to respond (including who to tell and how to tell them)
- R11. that people's bodies and feelings can be hurt (including what makes them feel comfortable and uncomfortable)
- R12. to recognise when people are being unkind either to them or others, how to respond, who to tell and what to say
- R13. to recognise different types of teasing and bullying, to understand that these are wrong and unacceptable
- R14. strategies to resist teasing or bullying, if they experience or witness it, whom to go to and how to get help

	Year 1	Year 2		
ation and Citizenship	L1. how they can contribute to the life of the classroom and school L2. to help construct, and agree to follow, group, class and school rules and to understand how these rules help them L3. that people and other living things have rights and that everyone has responsibilities to protect those rights (including protecting others' bodies and feelings; being able to take turns, share and understand the need to return things that have been borrowed) L4. that they belong to different groups and communities such as family and school L5. what improves and harms their local, natural and built environments and develop strategies and skills needed to care for these (including conserving energy) L6. that money comes from different sources and can be used for different purposes, including the concepts of spending and saving L7. about the role money plays in their lives including how to keep it safe, choices about spending or saving money and what influences those choices L8. ways in which they are all unique; understand that there has never been and will never be another 'them' L9. ways in which we are the same as all other people; what we have in common with everyone else L10. about the 'special people' who work in their community and who are responsible for looking after them and protecting them; how people contact those			
Personal, Social and Health Educatio	special people when they need their help, including dialling 999 in an emergency.  Health and Wellbeing H10. the names for the main parts of the body (including external genitalia) and the bodily similarities and differences between boys and girls	Health and Wellbeing H1. what constitutes, and how to maintain, a healthy lifestyle including the benefits of physical activity, rest, healthy eating and dental health H6. the importance of, and how to, maintain personal hygiene H7. how some diseases are spread and can be controlled; the responsibilities they have for their own health and that of others; to develop simple skills to help prevent diseases spreading H11. that household products, including medicines, can be harmful if not used properly
