Parent and Carer Code of Conduct Reminder

Dear Parents and Carers,

We are proud of the positive relationships that exist between our school, families and wider community. By working together respectfully, we create the safe, caring and supportive environment that our children deserve.

We would like to take this opportunity to remind all parents and carers of our Parent and Carer Code of Conduct, which outlines the standards of behaviour expected from all visitors to our school and at school-related events.

We understand that there may be occasions when concerns arise. We encourage parents and carers to raise any issues through the appropriate school channels so that they can be addressed fairly, professionally and effectively. However, all members of our school community are entitled to be always treated with respect and consideration. Therefore, defamatory, offensive or derogatory comments about the school, children, parents/carers or staff, either in person or on social media, will not be tolerated and will lead to the actions highlighted in our policy, including possible involvement of agencies and restricted access to site.

Thank you for your continued support and cooperation in helping us provide a safe, respectful and welcoming environment for all members of our school community. A full copy of the Parent and Carer Code of Conduct can be found on our website here.

Yours faithfully,

J. Fraser.
