LANGUAGE ANGELS Nombre: _____ Clase: _____

Las formas

phonics

ll

sound in:

- estrella

stress placement

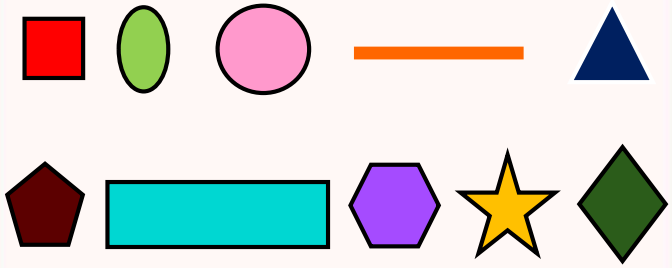

Words that end in a vowel, ‘n’ or ‘s’ are normally stressed on the second to last syllable like rom-bo and es-tre-lla.

accents

Accents indicate the vowel is stressed. As seen in the words: lí-ne-a, cír-cu-lo, ó-va-lo, and pent-á-go-no.

vocabulary

10 common shape nouns with their articles/determiners in Spanish.

To consolidate numbers 1-5 in Spanish.

1 2 3 4 5

grammar

Nouns in Spanish can be either ‘masculine’ or ‘feminine’. Therefore, there are 2 articles/determiners (often referred to as **indefinite**) for ‘a/an’ in Spanish:

un

Article/determiner ‘a/an’ for masculine nouns.

una

Article/determiner ‘a/an’ for feminine nouns.

What I will learn:

- ☐ Objective 1: I will learn and become familiar with 5 shapes in Spanish with their indefinite articles/determiners.
- ☐ Objective 2: I will learn and become familiar with 5 more shapes in Spanish with their indefinite articles/determiners.
- ☐ Objective 3: I will learn more about the 2 articles/determiners for ‘a/an’ in Spanish.
- ☐ Objective 4: I will revise numbers 1-5 in Spanish and express how many of each shape I can see.
- ☐ Objective 5: I will learn how to use my new knowledge on shapes in a variety of creative tasks in Spanish.
