CELEBRATING DIFFERENCE

Jigsaw Jo's Journey

Is it fair to make assumptions about other people?

How can you be kind to someone who is different from you?

My Thinking Pad

What have I learnt in this puzzle that helps me to celebrate difference?

Someone might be bullied for being different because...

It is good to be different because...

Having a friend makes me feel...

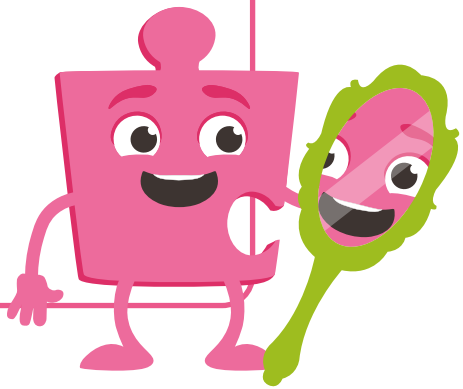

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...

What could you do if you saw someone being bullied?
