BEING ME IN MY WORLD

Jigsaw Jino's Journey

What are choices and consequences and why do we need them?

I will learn about...

- my strengths and achievements
- my rights and responsibilities in the class
- making responsible choices
- setting personal goals
- actions and consequences
- working as a team
- using my Jigsaw Journal
- seeing other people's viewpoints

feelings
pride
self-respect
valued
lonely

achievement
personal
goal
rewards
affirm

I will explore...

- how to value myself and others
- recognising my feelings and other people's
- how to work cooperatively with my peers
- how choosing to follow the Learning Charter helps us

fairness
group dynamic
courtesy
manners
include
exclude
welcome

BEING ME IN MY WORLD

Jigsaw Jino's Journey

What could you do to work and play well with others?

Who can you go to for help when you need it?

My Thinking Pad

What have I learnt in this puzzle that helps me in our world?

I can make responsible choices in school such as...

Rules are important because....

they can help us to...

I can help my peers by...

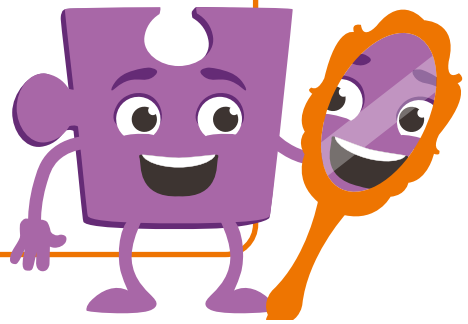

How might your behaviour affect how others feel and behave?

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...
