CELEBRATING DIFFERENCE

Jigsaw Jino's Journey

Why do we like to belong?

I will learn about...

- how all families are different
- the differences in my own family
- what to do if I witness bullying
- words that can cause harm to others
- how my words might affect someone's feelings

I will explore...

- who is special to me
- different ways to calm myself down
- the 'solve it together' technique
- how to help someone who is being bullied
- the impact of the words I choose to use on others
- how to give and receive compliments

CELEBRATING DIFFERENCE

Jigsaw Jino's Journey

What could someone do in a conflict situation to help make things better?

What could a person do or say if they noticed someone being bullied?

My Thinking Pad

What have I learnt in this puzzle that helps me to celebrate difference?

Conflicts can affect families and friendships by...

Every family is different because...

'Solve it together' means...

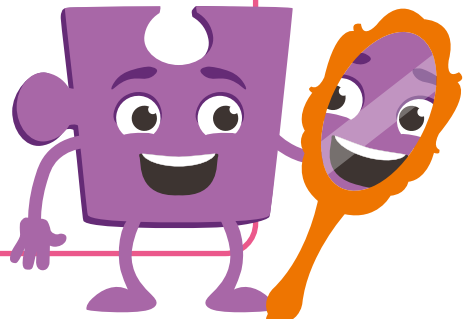

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...

What might someone do in a conflict that could make it worse?
