BEING ME IN MY WORLD

Jigsaw Jaz's Journey

How could you help others be more democratic?

What makes a school a community?

My Thinking Pad

What have I learnt in this puzzle that helps me in our world?

Being listened to is important because...

Listening to others is important because...

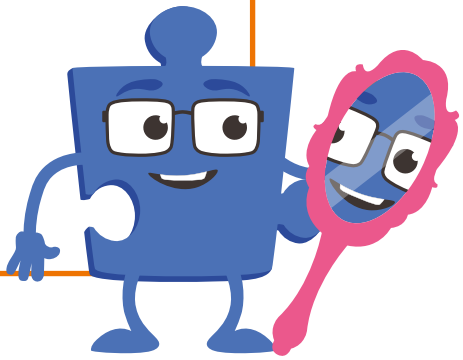

Being democratic helps me and others to feel valued because...

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...

Can you name the different roles people have in our school?
