CELEBRATING DIFFERENCE

Jigsaw Jem's Journey

Can you give examples of how different cultures, beliefs or lifestyles might lead to conflict?

How can someone show empathy towards others?

My Thinking Pad

What have I learnt in this puzzle that helps me to celebrate difference?

Being different might feel...

Difference can be a source of conflict or celebration because...

Appreciating people for who they are is important because...

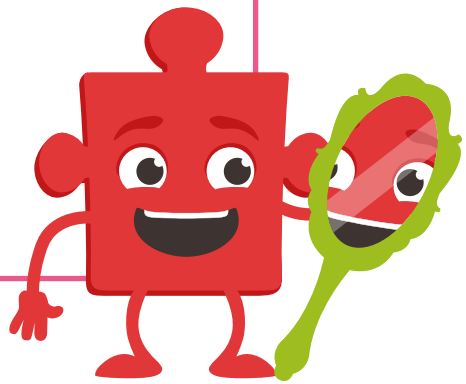

Looking back at my journey

Something important I learned...

I feel proud that...

A question I still have is...

What might shape a person's attitude towards people from different cultures?
