Home Learning Expectations – Years One to Six

Dear Parents and Carers,

As you'll be aware, we have been experiencing some technical issues with children accessing Teams from home as REAch2 are developing a system where they can access it easier. From Thursday, 8th October, your child will be allocated home learning tasks to complete on a weekly basis. The set tasks are dependent on your child's year group. Please find an outline of these expectations in the table below.

	Daily Reading	Numbots	TTRS	Weekly Spellings	Multiple Choice Quiz	*Optional* Open-ended Challenges
Year One						
Year Two						
Years Three-Six						

All home learning should be completed and, where applicable, uploaded or handed in by the following Wednesday. Children who complete the optional open-ended challenges will have their work celebrated in class during the week.

Until further notice, all home learning information and links will be shared via Class Dojo.

For Key Stage 2 pupils, the weekly home learning quiz will become available at 3:30pm every Thursday. In addition, the open-ended challenges for the remainder of the autumn term will be published on Thursday, 8th October.

Thank you for your continued support in helping your child develop positive learning habits beyond the classroom. If you have any questions regarding home learning expectations, please speak to your child's class teacher.

Yours faithfully,

T Arnold

Mr. Tom Arnold
Deputy Headteacher
