Help Shape the Future of our School

Dear Parents and Carers,

We'd like to invite you to take part in the REAch2 Parent and Carer Survey.

This year, the survey is part of something bigger. Across REAch2, we are undertaking our biggest listening exercise yet, hearing from staff, governors, parents and carers as we begin thinking about the future of our Trust and our schools.

The survey asks about your experience of Green Ridge Primary Academy, including your child's wellbeing, learning and opportunities. It also asks you to look further ahead and tell us what you believe children will need from their education in the years to come.

We want to understand what is working well, where we can improve and what we should protect and prioritise for the future. Your perspective as a parent or carer is an important part of that picture.

The survey should take around 10–15 minutes and will remain open until **Friday, 16th October**.

Take part in the survey here by following this link.

We would love to hear from as many of our families as possible. The more voices we hear, the better we can understand what matters to our school community and ensure those views help shape what comes next.

Thank you for taking the time to share your views.

Yours faithfully,

J. Fraser.

Mrs. Jen Fraser
Headteacher
