Show Racism the Red Card
Non-Uniform Day – Friday, 16th October 2026

Dear Parents and Carers,

As part of our learning during Black History Month, we are pleased to be supporting Show Racism the Red Card and its important message of standing together against racism and promoting equality, respect and inclusion.

Children have already taken part in a whole-school assembly and will be completing a range of age-appropriate activities throughout the month. These activities will help them learn about the importance of celebrating diversity, challenging discrimination, and treating everyone with kindness, dignity and respect.

As part of this work, we are inviting all children to come to school wearing red on Friday 16th October to show their support.

By wearing red, we are coming together as a school community to demonstrate that racism has no place in our school or our society. There is no need to purchase anything new. Children can simply wear something they already have at home, such as a red T-shirt, jumper, dress, socks, hair accessory, or any other red item.

We look forward to seeing our school community wearing red and standing together against racism.

Thank you for your continued support.

Kind regards,

Miss. Harris
Equality & Diversity Leader
