Message from the Headteacher

Green Ridge is starting to feel very autumnal as we prepare for our Harvest celebrations. The Year One children are practising their songs and we're receiving lots of donations ready to share with the local community. We'll be out collecting long-life items at the gates next week. Thank you in advance for your generosity.

Our youngest learners in Little Berries are settling beautifully into school life. Each day they are growing in confidence, trying new things and making new friends. We are so proud of the positive start they have made to their learning journey at Green Ridge.

Wishing you all a great weekend. J. Fraser.

News & Updates

Harvest Festival Donations

Further to the letter sent on Tuesday, 22nd September, we would like to take this opportunity to remind parents/carers that this year, all donations collected at Green Ridge will be shared with local food banks and community support organisations, who will distribute them directly to families and individuals in need.

We have been very grateful for the donations received so far. However, we have received fewer contributions than we had hoped, and with so many families and individuals relying on these organisations, every additional donation really can make a difference.

We would be extremely grateful for any non-perishable food items, toiletries or household essentials that you are able to spare. Even a small contribution can help support someone in our local community who may be struggling.

Please make sure all food packets are still within date or, better still, have a long-remaining 'use by' date.

We kindly ask that donations be brought in by **Monday, 5th October**.

Thank you for your continued support. We hope that, together, we can build on the donations already received and provide as much support as possible to those who need it.

Little Wandle and Reading Workshop
