## Context

Green Ridge is set on the Berryfields Estate, north of Aylesbury, Buckinghamshire and is part of REAch2 Academy Trust. This admissions policy was finalised following public consultation on a Trust-wide approach to admissions. Our aim is to ensure all our academies have simple, consistent admissions arrangements that focus on serving the local community, reflect our vision and values and are as easy as possible for parents/carers of potential pupils to understand. More information about REAch2 is available on our website: [www.reach2.org](http://www.reach2.org)

Green Ridge is a school which is designed to meet and be responsive to the needs of the local community it serves. The academy rightly prides itself on the high expectations it places on the academic achievements and behaviour of all children, whatever their need, as well as a broad, diverse and engaging creative curriculum which will underpin all that it does. Green Ridge strives for the best outcomes for our children and wants to give them every opportunity to succeed, whatever their barriers may be. Green Ridge is an academy where every child is respected and treated as an individual, with no limits placed on their learning – just opportunities to continually improve with a growth mindset approach. The academy does not 'label' children or group them by perceived 'ability'; instead it gives all children equal opportunities to challenge themselves through the range of tasks and activities presented to them – empowering children to take ownership and responsibility for their own learning. For further information, please see the academy website: [www.greenridgeacademy.co.uk](http://www.greenridgeacademy.co.uk)

The academy is situated on a new housing development, and is the second primary school to be built within the area to meet the demand for school places. The academy will initially be two-form entry. However, as demand for places grows this may increase to three-form entry. Planning permission for the school has been granted, and the buildings designed, with this future expansion in mind.

There is a separate policy statement for admissions to the main school which includes the Reception class (Foundation Stage 2) and Key Stages 1 and 2.

## Overview of Little Ridges Nursery

Green Ridge will offer Nursery provision, known as 'Little Ridges' to the following ages of children:

- Little Acorns - for children whose *fourth* birthday falls between 1<sup>st</sup> September 2018 and the 31<sup>st</sup> August 2019
- Little Berries – for children who are aged two/three\*

*\*see more detailed on pg. 3 about the ages children can join in Little Berries.*

As a registered provider, Green Ridge Nursery is legally bound to meet the requirements of the Early Years Foundation Stage Framework and Ofsted regulations.

All children and families are welcome into the setting, regardless of their background and we promote equal opportunities and support children with SEND.

Little Ridges will run morning and afternoon classes for children who have already had their third birthday by the start of each school year in September. Most children will join the nursery in the September after they become three and will attend for five sessions each week in either the morning or afternoon classes (known as the Little Acorns), although there will be the option for additional paid places.

There will be an additional morning and afternoon class for two/three year olds (Little Berries) where places are given to those entitled to 2-year-old funding from the term after which they turn two, as well as optional paid places.

The academy coordinates admissions for children joining its nursery and parents/carers are invited to apply using the nursery admissions form, which is available as a download or on request from the school office.

Little Ridges Nursery will operate between 7.30am and 6.00pm, with funded childcare available at the designated times as specified below for each class (typically 8.45 for the morning and finishing at 11.45am, and 12.15 for the afternoon and finishing at 3.15pm).

The academy will operate its own wrap-around care between 7.30-8.45am and between 3.15-6.00pm where parents/carers will be able to leave their children, with additional costs payable separately to the academy. These places are subject to availability, pre-booking and payment in advance. Costs for these are outlined in Appendix 1.

## **Little Berries – two/three-year old provision**

There are 16 morning and 16 afternoon sessions available. A morning session is from 8.45-11.45am. Afternoon sessions are from 12.15-3.15pm.

Places are allocated through the year based on the term of birth. A place begins the term after the child turns 2.

The number of places offered each term may be adjusted to respond to any needs that arise with each cohort)

**All children need to pass an eligibility check and have a letter or email confirming they are eligible for a place for the 15 hours funded provision for two-year olds.**

Children remain in the Little Berries class until the academic year in which they turn four, when they transfer automatically into the next class, Little Acorns. It is not our policy to automatically move children to Little Acorns based on aptitude or ability, and movement to this class is based on a child's date of birth which will in turn determine when they are eligible to start the main school in Year Reception.

For those children who have turned two but are not eligible for the 15 hours free funding for two-year olds, places can still be applied for in Little Berries privately, but note that the places each term are offered initially to those children who are eligible for the funding. Prices for Nursery can be found in Appendix 1 if your child attends with us privately.

## **Little Acorns – three/four-year old provision**

The nursery Class has one major intake in September, for those children who turn four within the academic year 2018/2019.

- The September intake will be staggered over the first 2 to 3 weeks of term.
- Any spare places will be allocated during the year, as they become available.
- Some places within the Little Acorns are reserved for children who are already in the setting as part of our 2/3-year-old provision (Little Berries). Typically, this means we will reserve 24 places (12 morning and 12 in the afternoon).

Children who due to have their fourth birthday between 1<sup>st</sup> September 2018 and 31<sup>st</sup> August 2019 are eligible for 15 hours' free childcare. 15-hour provision is offered as five sessions of three hours (combination of morning or afternoon across the week). For those parents/carers eligible for the 30 hours' free childcare, this will mean that your child is attending fulltime between 8.45am and 3.15pm daily.

A daily lunch club will operate where children will bring their own packed lunches and have these together as a group. For those parents/carers only eligible for 15 hours' childcare, there will be the option of paying separately for your child to either stay on or come in earlier and have lunch at school between 11.45-12pm, before or after the morning/afternoon session which your child attends.

	Mon	Tue	Wed	Thu	Fri	Allocation
Full-time	8.45-3.15pm	8.45-3.15pm	8.45-3.15pm	8.45-3.15pm	8.45-3.15pm	8.45-3.15pm
AM session	8.45-11.45am	8.45-11.45am	8.45-11.45am	8.45-11.45am	8.45-11.45am	8.45-11.45am
PM session	12.15-3.15pm	12.15-3.15pm	12.15-3.15pm	12.15-3.15pm	12.15-3.15pm	12.15-3.15pm

The academy will admit no more than 52 children into the Nursery each academic year (26 for the morning sessions, and 26 for the afternoon sessions). Please note that places may be reduced if:

- The academy needs to respond to any needs that arise with each cohort; and/or
- Those children eligible for 30 hours' free childcare remain all day, and so take up one place in the morning as well as the afternoon.

With part time applicants, parents will be asked for a preference. Places are offered based on availability and a preference cannot be guaranteed. If a preferred session is not available an alternative will be offered.

For those children who are eligible for the 15 hours' free childcare but not the 30 hours, sessions can still be applied for in Little Acorns privately, but note that the places each year are offered initially to those children who are eligible for the 30 hours funding. Prices for Nursery can be found in Appendix 1 if your child attends with us privately.

**Parents will need to include provide an eligibility code for the 30 hours Free Entitlement; the school will not be able to confirm a 30-hour place until the code has been validated by Buckinghamshire County Council.**

Anyone may apply for admission to the Nursery for their child(ren). If there are more applications than places available, the academy will allocate places in the following priority order: (Rules should be read in conjunction with the accompanying notes).

To find out what support with childcare you may be entitled to, please visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

## Admissions Criteria

Little Ridges Nursery has a maximum admission number of 52 for entry in Little Acorns and a maximum admissions number of 32 for entry into Little Berries.

The academy will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, the academy will offer places at the school

to all those who have applied.

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children or previously looked after children i.e. children in foster care, care homes or who were before being adopted
2. Children eligible for two-year old funding (15 hours) or three/four-year-old funding (30 hours)
3. The age of the child in relation to their start date.
4. Children with siblings in the main school (YR and above at the point of admission)
5. Children living in the designated catchment area
6. Children of school staff fulfilling a skills shortage role
7. Home-to-school distance – meaning that the remaining places are allocated in order of each child's proximity to the school.

If there are more children than places to be allocated in any of the categories, priority will be given to the children who live closest to the school.

## Definitions relating to the criteria

1. 'Looked after children' are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). 'Previously looked after children' are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. These definitions are set nationally, by the Department for Education.
2. Two-year old funding: All children need to pass an eligibility check and have a letter or email confirming they are eligible for a place for the 15 hours funded provision for two-year olds. For three/four-year-old 30 hours funding: Parents will need to include provide an eligibility code for the 30 hours Free Entitlement; the school will not be able to confirm a 30-hour place until the code has been validated by Buckinghamshire County Council.
3. Children will be admitted in relation to their age and start date. For example, in the summer term entry to Little Berries, there may be two children who have applied who are now eligible, having turned two prior to 1<sup>st</sup> April (one turned two on 4<sup>th</sup> January and the other turned two on the 27<sup>th</sup> March). Preference would be given firstly to the elder child who turned two in January, before the child who turned two in the March.
4. 'Siblings' are defined as one of two (or more) individuals who have one or more parents in common, or any other child (including an adopted or fostered child) who lives at the same address and for whom the parent also has parental responsibility, or (in the case of a fostered child) delegated authority. The sibling must be at the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.
5. The catchment area is as defined by the Local Authority in commissioning Green Ridge Primary Academy as a new school to serve the housing development in the Berryfields area. See map on page 6. Note that the Academy Trust is committed to retaining the

catchment area criterion for the intakes in September 2018 and September 2019, and will review the position for the September 2020 intake in accordance with the timescales in the admissions code.

6. This option is only available for teaching or leadership staff with a permanent contract to work at the school (and not employees in REAch2 regional or central teams); it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area. This is compliant with the statutory School Admissions Code – in fact the code allows for a wider definition/scope for children of staff but REAch2 has chosen a more limited approach.
  
7. 'Home-to-school distance' is defined/measured *the distance from your child's Normal Home Address, as set out by Ordnance Survey, to the nearest open school gate available for pupils to use.* Buckinghamshire County Council use a computerised system to measure straight line distance. 'Home address' is defined as *where you and your child live together, unless you can show that they live elsewhere with someone with legal care and control of your child. For admission purposes, this must be a residential property that is your child's only or main residence. It cannot be an address at which your child may sometimes stay or sleep due to your domestic arrangements. The property must be owned, leased or rented by the child's parent(s) or person with legal responsibility for the child. A child's Normal Home Address is where he or she spends most of the week, unless it is accommodation at a boarding school.* Note – these definitions are used by the Local Authority in relation to admissions to schools that they maintain – REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers. The school and REAch2 as admissions authority reserve the right to carry out additional checks on the accuracy of the home address provided.

## Tie-breaker

Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school; but only after any applications are considered where there is third party evidence (e.g. from a medical specialist or a social worker), provided at the time of the application, setting out the exceptional medical/social need of the child (or their parent/carer) and why only this school, rather than any other, is able to meet that need; the final decision on such applications will be made by the school's governors.

## Admissions timeline

The nursery has the following deadlines for applications for this academic year:

Deadline	For admission in:
Wednesday, 28 <sup>th</sup> February 2018	Autumn Term 2018
Friday, 19 <sup>th</sup> October 2018	Spring Term 2018
Friday, 8 <sup>th</sup> February 2018	Summer Term 2018

Please note that in this academic year, additional places will be offered to children as requested to increase occupancy of the nursery, outside of the admissions timeline (subject to space).

## Late applications

All applications received by the academy after the deadline will be considered to be late applications. These will be considered after those received on time. If all available places are allocated to children whose applications were received on time, parents or carers who have made a late application may request that their child is placed on the school's waiting list.

## Appeals

If you have not been allocated a place for your child in one of the nursery classes, there are no grounds for appeal.

## Continuing Interest List

- A register of continuing interest will be kept by the academy and include names, addresses, D.O.B., telephone number and date registered of children who are interested in attending the nursery.
- The register of continuing interest will not operate places on a "first come, first served" basis. The length of time children are on the consideration list in no way influences the decisions about places. Places are allocated based on the admissions criteria given.
- Parents will be notified by the school office via telephone or letter when a place becomes available.
- Parents will be offered the opportunity to visit the Nursery, prior to submitting a completed application.

## Decisions on places at Little Ridges Nursery

Decisions will be made by Admissions in the school office, through discussion with the Head of Learning for Early Years and the Headteacher if required. Decisions to offer a place will be based on the criteria and procedures laid out in this admission policy. Being offered a place does not guarantee first preference with regards to session options.

- Decisions will be final and there is no right of appeal.
- The offer of a nursery place DOES NOT in any way mean automatic entitlement to the main school. Reception applications are made through online admissions to Buckinghamshire Local Authority.
- Parents who accept a place will be expected to commit to taking up the place for the rest of the academic year and to ensure very good attendance.

## Free Entitlement Funding

- A signed parent/provider agreement will be in place for each child who attends the Nursery. This is a contract for the minimum of one term and the maximum of a year. A new parent/provider agreement will only need to be completed at the start of a new term if any information, including the number of free entitlement hours being accessed, changes.
- Parent/Carers will need to give notice to leave half-termly. If they wish to leave sooner they are able, but parents/carers will not be eligible to claim funding with another provider for the remainder of that half-term unless the child meets exceptional criteria.

- Full details of any additional providers must be completed by the parent/provider agreement by the parent, if they are splitting their free entitlement between more than one provider.
- There are no retainer/registration fees for universal or extended free entitlement places.
- Free entitlement funding is not intended to cover the cost of consumables. Parents/carers will be asked to provide a voluntary contribution each term in order to cover the cost of consumables, depending on the number of hours they attend.
- Parents/carers may use a maximum of two sites in a single day to access the free entitlement.
- If parents/carers decide to split the Universal and Extended free entitlement between two providers then parents must inform the providers which setting they are claiming the universal hours from and which ones is claiming the extended hours.
- There will be a grace period to enable parents to retain their childcare place for a short period if they have become ineligible for the extended entitlement. A child who becomes ineligible in the first half of the will retain their childcare until the end of the term. A child who becomes ineligible in the latter half of the term will retain their childcare until mid-way through the following term.
- If a child became ineligible half-way through the summer term, they would retain their place until the end of the term. However, if they became ineligible in the latter half of the summer term, they would retain their place until the start of the following term in September.
- At the end of the grace period, parents/carers have the option to reduce sessions or will become liable for fees.
- Please note that all payments are payable half-termly in advance, and not in arrears. Refunds are not available if your child is unable to attend due to illness or any other reason.

## Transition

For children starting in September a welcome meeting will be arranged to meet the Headteacher, Head of Learning for Early Years and/or the Class Teacher/Key Worker.

- Children will be offered an opportunity to attend a stay and play session with their parents before taking up their place.
- Home visits will be arranged for children starting in September. Two members of the school staff will attend the home visits. While these visits are being made the nursery may need to be closed.
- It may be possible for children who join the Nursery at other points during the year to receive a pre-arranged home visit before they are due to start.
- Where a home visit is not possible or parents do not wish to have one a teacher parent meeting will be held at the school before the child starts.

## Attendance and Loss of Nursery place

If attendance and punctuality is poor or erratic the academy staff will talk to parents/carers and remind them that for the child to benefit fully from nursery education, attendance needs to be regular and punctual. This conversation should be recorded and dated in the child's folder.

- Where attendance is not good (nb: below 90% will be considered a possible concern) then the place may need to be reviewed if there is not sufficient reason for the absence.
- Parents may be called in to meet the Head of Learning for Early Years and/or another senior member of staff if attendance is a concern. Following the meeting, if there is no

sustained improvement in attendance within an agreed period, then the child may lose their place. Parents will be notified of the loss of place in writing.

- If a child is absent for a period of three weeks without any contact from the parents and the school has been unable to make contact within this time, the child may lose their place and it may be offered to someone else. This will be decided by the Headteacher, and a letter explaining the situation will be sent to the parents.

## **Transfer from Little Acorns to Reception**

- All parents and carers must be made aware that a place in the nursery does not guarantee a place in the school and that they must still go through the Buckinghamshire County Council co-ordinated admissions procedure.
- The Nursery staff will liaise closely with colleagues in Reception classes to plan for a smooth transition to their chosen or allocated school. Nursery staff will send on reports and other agreed records to the school admitting the pupil as appropriate.
- Children moving into the school Reception class will visit in small transition groups during the end of the summer term.
- Children attending other schools will have all records passed onto the school and staff at the new school will be offered opportunities to visit children in the nursery.

## **Admissions Policy Review**

- Please note that the Nursery admissions policy is subject to regular review.

N.B – Nappies, nappy cream and wipes are not included within sessional charges and parents/carers are requested to provide these for their children.

## Appendix 2: Late Fees and Collection

### Principles

This framework is for protection of children who have been left at the Nursery over the agreed collection time or once the nursery has closed. The nursery has a duty of care to the children and parents to ensure that collection of very young children is made at the agreed time or within normal nursery opening hours. Late collection causes additional overhead and cost for the nursery and potentially unnecessary distress to a child. Children remaining in our care after the agreed collection time or after normal opening hours must be supervised by a minimum of two members of staff, one of whom must be qualified. We appreciate that sometimes there may be circumstances beyond parent / carer control affecting the prompt collection of your child. If you know you are going to be late collecting the child in our care, please call at the earliest opportunity and discuss with the staff the arrangements for the collection. Please note that a late stay fee will still be chargeable, unless agreed otherwise, for example in exceptional circumstances.

### Procedure

All parents/carers will be given a ten-minute grace period on late collection of their child. If your child has still not been collected 10 minutes after the session has ended, then a £10.00 charge will be levied and for every ten minutes thereafter. If you are late collecting your child, they will be cared for where possible, by their key person and a senior member of staff. Your child will be inside the Nursery and reassured by the staff members. Any specific needs will be addressed.

#### If your child(ren) remains uncollected 10 minutes over the set time:

Nursery Manager and staff team will be made aware of the situation. No late fee is charged unless this becomes a regular occurrence. If your child(ren) remains uncollected 10 minutes over the set time: The parents or carers will be contacted; late stay fees will be collected of £10.

#### If your child(ren) remains uncollected 15-20 minutes over the set time:

The manager/deputy manager will contact the first emergency contact on your child's contact card. Please note this will not happen if the manager has been successful in contacting the parent/carer due to collect the child. Late stay fees will still be collected of £20

#### If your child(ren) remains uncollected 20-25 minutes over the set time:

The manager/deputy manager will call the second emergency contact on your child's contact card. Please note this will only happen if the manager/deputy manager was unable to contact the first emergency contact and the parent/carer has not contacted the Nursery. Please note that late stay fees will be collected of £30.

#### If your child(ren) remains uncollected 25 minutes over the set time:

The manager/deputy manager will contact the local authority's Duty Assessment Team for advice on their next course of action. This will only happen if none of the child's emergency numbers have made contact with the nursery. Please note that late stay fees will be collected and charged at a level relative to the circumstances and lateness.

### Escalation

Ofsted will be notified in the event of collections after 25 minutes where no notification was given. Late fees will be added to your child's account and collected with the next fee invoice.

N.B – All late charges are at the discretion of the Nursery and School.
