Dear Parent/Carer

Your child's annual flu vaccination is now due

This vaccination programme is in place to help protect your child against flu, which can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

This year we have introduced online consent which can be accessed via any online device. Please click on the following link <https://www.buckschildimmunisations.co.uk/flu> which will direct you to an online consent form for you to complete.

We will be visiting your child's school on either *03/10/2018* or *12/10/2018* so please complete the consent form in full no later than *25/09/2018* and use the following school code: **EE144747**

Unfortunately we have been informed by Public Health England that the flu vaccine may not be available until after the original date that your school has been allocated for immunising your child(ren). We would still like you to complete the form by the date above, but we may not visit your school until the second date given above.

The vaccination is free and recommended for young children. It will be given by a quick and simple spray up the nose. Here is a link to a leaflet explaining the vaccination programme which includes details about the small number of children for whom the nasal vaccine is not appropriate:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/714954/PHE_Protecting_Child_Flu_DL_leaflet.pdf

If you require further information regarding the vaccines we offer please go to our Immunisation website which has full details of our service:

<http://www.buckshealthcare.nhs.uk/School-nursing/immunisations.htm>

If you have any queries regarding the online consenting or the Flu vaccine please contact the Buckinghamshire Immunisation Team on 01296 566063.

Yours sincerely,

S Smissen

Samantha Smissen – Immunisation Team Lead

If your child becomes wheezy or has their asthma medication increased after you complete this form, please contact the immunisation team on 01296 566063. If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help us plan and improve the service.
