Parking Arrangements - Update

Dear Parents and Carers,

Kier have made the academy aware that they intend to start the removal of our temporary building (to the left of the current site, in the car park) as from tomorrow. We apologise for the late communication about this, but wanted to inform you of this as soon as we were able.

We are keen not to further delay the completion of our new site and with the works now scheduled, ask all of our parents to please consider the school journey over the next few weeks, as car parking in and around the school will be limited. There will be limited drop-off bays available for parents/carers to use, and we ask parents not to park in the disabled/accessibility bays as these are for blue badge holders only.

The speedy completion of our new car park will free up the drop-off bays and create some surplus parking for school visitors in peak hours. Full arrangements will be confirmed once the car park is complete. As we are given more information about the progress on the car park and removal of the temporary building, we will of course pass this on.

Thank you for your understanding and patience with this matter.

Yours faithfully,

Mr. Aaron Wanford
Headteacher
