### Small Talk – Mix96 Radio

Dear Parents and Carers,

We are delighted to inform you that your local radio station, Mix96 will be visiting the academy in the spring term to record a special feature called 'Small Talk' which will be aired shortly after. It's a chance for grown-ups to hear all about the world from a child's perspective – from 'What is the Queen's job?' to 'Who were The Beatles?' to 'Who is a better driver – Mum or Dad?'

They are only able to work with 12 children per session. Please be advised that although Mix96 will do their utmost to make sure all children recorded go to air, they can't promise that all will be as the content needs to be air checked to ensure its broadcast quality before being played out on the radio. Therefore, I propose that if your child would like to take part and you are happy to give permission for them to be recorded for the radio, that you return the reply slip below and then we will do names-out-of-a-hat with the children to make it as fair as possible. Please also ensure your child is personally happy to take part and that they would be confident enough to speak to the presenters for the radio show.

The feature is broadcast on 'Breakfast' at 7.50am and at Drive time at 3:20pm Monday – Friday of the chosen week. There will also be a 'listen again' option at the end of the week through a podcast on their website at [www.mix96.co.uk](http://www.mix96.co.uk). If you would like to hear some of the previous Small Talk programmes, just click [here](#) to their website where you can see what happens.

Please also be informed that the children will have their photo taken and this will be used on the website and through their social media platforms such as Facebook and Twitter @Officialmix96. Please return the reply slip below **by Tuesday, 27<sup>th</sup> November** by the end of the school day via your child's Class Teacher.

If you have any further questions, please do not hesitate to come and speak with myself.

Yours faithfully,

Mr. Aaron Wanford  
Headteacher
