

# RACE IT! A game for 2 players.

You will need: 1 x 1-6 dice, 12 counters (6 of one colour, 6 of another colour), something to write with.

1. Choose 6 words and write these next to each number in the large box.
2. Each player needs 6 counters of the same colour. Put these on your 6 words.
3. Take it in turns to roll a dice. Roll a 6 then spell word 6...
4. If you spell the word correctly, you can move your counter into the next space. Spell it incorrectly and the other player gets a chance to spell the word correctly and move their counter into the next space.
5. The winner is the player who manages to get the most counters across the finish line.
