

Primary PE and Sport Premium 2020/2021

Department for Education Vision for the Primary PE and Sport Premium:

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

What is the PE and Sport Premium Funding?

The government is providing additional funding of £150 million per annum in order to improve physical provision of Physical Education (PE) and sport in primary schools.

We must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) we offer at Green Ridge Primary Academy. We have the freedom to choose how the money is spent, but it is ring-fenced and therefore can only be spent on provision of PE and sport at Green Ridge.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport
