Dear Parents,

Bucks Music Trust offers a range of services for parents and children in our county. These are open to any child living in Bucks or going to school in Bucks. As a not-for-profit charity, we aim to keep prices as low as possible and to offer support and subsidies to allow any child to participate. We also offer a flexible service through schools, music centres and online to be able to offer lessons to children living anywhere in the county.

**We offer tuition on all instruments including strings, woodwind, brass, percussion, piano, voice and guitars. All prices have been held at the 2019/20 rate to reflect the difficult times we are currently facing. BMT will continue to deliver remote lessons where necessary or preferable.**

### Instrumental and Vocal teaching – available on all instruments subject to availability

- 33 lessons per academic year and all fees are payable per term in advance
- Parents are billed directly whether lessons are in music centres or schools, except where a school has agreed to subsidise pupils using pupil premium.

- Loans are available to all young musicians in Buckinghamshire, but priority is given to BMT Music Centre members

### Subsidies to promote opportunity for all children

- If your child is eligible for Pupil Premium Funding the please contact the school ahead of booking so we can clarify how we can support you.

I hope you will appreciate the benefits that your child will get from learning a musical instrument and joining a Music Centre. The wealth of evidence showing the wider learning skills, social and well-being benefits and enjoyment your child will develop makes it something that we believe every parent should consider.
