

# WEEKLY ROUND-UP

Autumn Term 2021

Edition 6

Friday, 15<sup>th</sup> October 2021

## A note from the Headteacher

The highlight of this week (and in some ways, the highlight of this half-term so far) was the Harvest Assembly which took place for Year One yesterday morning. Although sadly we could not invite Reception and Year Two along to this, I was pleased we were still able to continue as safely as possible with the Year One pupils and parents/carers and family relations. For those of you who attended, I am sure you will agree it was a joyous occasion to have the children back performing in front of an audience, and the children loved doing so. As I said to the adults present yesterday morning, our current Year One pupils have not had any such opportunities since they joined the school in September 2020, amid the pandemic and restrictions which meant very little opportunity for anybody from outside to come into school. The children's singing, actions and speaking was great, and their confidence shone through, despite a big audience! Thank you to all the adults who came along and supported, and for helping us keep as safe as possible with masks and distancing. My thanks as well to Mr. Kaye and Miss. Chalmers for putting the assembly together over the last few weeks, and of course a huge thanks to all parents/carers across the school and nursery who have made such generous donations to the Harvest Festival display. We have been overwhelmed with the amount received, and Revd. Gareth Lane who joined us for the assembly spoke about how the food and goods would be so well-received by the Aylesbury Food Bank where he supports those families who are in need at a difficult time. I am really proud of our support to the Aylesbury Food Bank over the last few years, and hope that as part of the Berryfields community, we can do our bit to help others wherever we can. Thank you.

The PTA cinema event is another highlight of this week for the pupils, and we have the most ever attending this evening! Enjoy, and have a great weekend,

*A. A. Wanford*

# What have we been learning this week?

## Little Ridges Nursery

What another wonderful week in Little Berries! This week's focus has been Mark making and practising our gross and fine motor skills. The berries have explored painting with different materials, watching what happens when you add water to paint and mix, making marks in playdough, making our own instruments and

potato printing. We have continued aspect 2 in phonics and the children have done incredibly well with the instrumental sounds. We have had trips to the library and dance studio. Our word of the week has been 'hidden' which the children have learnt by playing peepo! Next week we are recapping all the children's favourite activities over the half term so if the children have mentioned any particular activities to you please let me know and we will re do them. Thank you for your support with the 'Let's learn together' challenge, we hope you have lots of fun with it. Please ask if you have any questions. Have a lovely weekend!

Little Acorns have focused on 'Rhythm and Rhyme' this week during Phase 1 phonics! They thoroughly enjoyed taking part in 'Rhyming Silly Soup' and did well to have a go at identifying some rhyming words. During continuous provision, the children have been building obstacle courses and working together to do this. They have

also been building different models using various construction materials, developing their social skills by listening to their friends' ideas. Please take a look at the 'memos' section on Tapestry for the children's first challenge: 'Time to Talk Autumn Walk'. We look forward to seeing what you get up to on your Autumn Walks!

## Reception

We have had a very busy week this week in Reception. We have enjoyed continuing our 'Talk 4 Writing' story 'We're Going on a Bear Hunt' and creating actions for the different parts of the story. Then we came in looking our smartest for our very first school picture. We then had a very special treat; two police officers came in to speak to us about what they do and to read

us a story called 'PC Ben'. We have been enjoying our phonics lessons, learning new sounds, and starting to blend. This week, we will all be taking our reading books home and we are very excited for you to read them with your children. Our wonderful week has been topped off by an incredible cinema movie night, ran by the PTA. Have a lovely weekend!

## Year One

This has been a very exciting week for Year One! They had their first ever school performance on Thursday when they performed in the Harvest Festival Assembly. They all said their lines so confidently and sang their hearts out. The whole Year One team is so proud of how hard the children worked to rehearse and put the performance together. Well done Beech and Elm! We also had some exciting visitors yesterday. We have been talking in PSHE about keeping ourselves safe and how and who to ask for help. We were visited by two police officers who talked to the children about how they can contact the police if they need help and what the police can help with. We even got to see inside their police car!

## Year Two

In Year Two this week, we have been looking at poetry. This has involved the children looking at poems and spotting rhyming words and going on a nature walk around the school to get ideas for their own poem! In Maths we have looked at subtracting by bridging ten. This involved us finding the nearest ten, jumping to it, and then subtracting the remaining amount. In history, learnt about what fire safety equipment we have now, compared to when the Great Fire of London happened in 1666. We discussed whether we thought fire hooks and water squirts were effective in extinguishing fires and what we have now that is far more superior!

## Year Three

Year 3 have been busy this week as usual. For home learning this week, the children reflected on the trip to Chiltern Open Air Museum and it was evident that all children absolutely loved their visit and remembered and learned so much. This was great to see! We are now working our way through the Stone Age timeline and this week we were focusing on a Neolithic settlement, Skara Brae, looking at the features which

## Year Five

[illegible]

## Year Six

This week, Year 6 have been planning and writing their own character descriptions for a new character who has found themselves at Camp Green Lake. In Maths, we have been looking at factors, multiples, prime numbers, squared and cubed numbers as well as introducing the order of operations with BIDMAS. We
