Year Two SAT Tests and Arrangements – Follow up to SATs Information Session

Dear Parents and Carers,

Thank you to those parents/carers who were able to attend the information sessions on **Thursday, 28th April** with myself regarding the SAT tests and assessment arrangements for Year Two.

All of the information shared on the PowerPoint slides can be found within the following presentation online, which can be found [here](#). We also referred to some other documents which parents/carers may find useful to see, which include:

- [Sample](#) Reading Papers and the [2019](#) Papers.
- [Sample](#) Mathematics Papers and the [2019](#) Papers.
- [Sample](#) Spelling, Punctuation and Grammar Papers and [2019](#) Papers.
- [Assessment Frameworks](#) for end of Key Stage One Assessment.

Paper copies of high frequency words and common exception words are available to pick up from Miss. Broadbent or Miss Field if you were unable to attend.

Please remember that it is Miss. Broadbent and Miss. Field's own teacher assessment of each child that will determine the end of year outcomes – this is not formulated by the tests themselves. The test results are there merely to give an indication to the teachers of how a child may be performing at a given point, whilst the teacher knows far more about your child and learning over time than the test can give credit for.

If you have any other questions about the tests which are currently taking place, then please do contact Miss. Field or myself.

Thank you for your continued support in this matter.

Yours faithfully,

Miss. Dominique Broadbent
Year Two Class Teacher and Acting KS1 Phase Leader
