## School Travel Plan

June 2022 –  
Issue 7

### Summer Term 2022

Our School Travel Plan promotes sustainable ways for the school community to travel to and from school. We currently have a Silver Accreditation and are working towards Gold this year.

Summer has arrived! We all need Vitamin D to keep us healthy. You could use your daily walk/bike/scoot/wheel to school to allow you and your child to absorb the daily dose!

#### Scooter Training–Year One & Two

Scooter Training is taking place on 30th June for Year One and Year Two children. Please take a look at [this letter](#) to sign up your child on this great, beneficial training.

If you have any suggestions to improve travel safety or projects that we can run to increase active travel, please let us know!

#### Upcoming Projects

- Clean Air Day
- Scooter Training

#### Bling Your Bike Day

Bling Your Bike Day took place on 27th May as part of our Jubilee Celebrations. We were really impressed at the amount of effort children put into decorating their bikes, scooters and helmets!

It was also fantastic to see so many children scooting and cycling to school.

#### Clean Air Day

16th June is Clean Air Day which inspires people to take simple steps to protect their health, and their families health, from air pollution. Let's keep the air around us as clean as possible by walking/scooting/cycling and switching off your engines when you have parked.
