

Dear Parents, Carers and Families

You may have seen on the news that Ofsted has just launched “The Big Listen” to gain views about the future of school inspection.

You are very much encouraged to respond to this individually to express your views.

As the largest primary only academy Trust in the country, we also intend to respond in full and ensure that our voice is heard. To do this we want to make sure we take account of the views of all our stakeholders including school staff, governors, parents, carers, and families. We have therefore designed a simple survey that will help to capture a range of views.

I would like to warmly invite you to participate and to respond to the survey. Every viewpoint will be read and taken into account as we consider our Trust position and our own response to Ofsted’s Big Listen. We will not be able to respond on an individual basis, but we will publish any key overall themes that come out of the responses we receive.

Hearing your voice as part of this work is really important. Here is the link to the survey and I encourage you to let us know your views: [REAch2 – Ofsted Big Listen](#)

The deadline for responses is Thursday 18th April 2024

Thank you for your time!

Cathie Paine
