National Numeracy Day – Wednesday, 21st May 2025

Dear Parents and Carers,

We are excited to announce that our school will be celebrating National Numeracy Day on 21st May 2025. This special day is dedicated to the joy and importance of mathematics in our daily lives.

Over the course of the day, the whole school will be engaged in hands-on activities that encourage them to explore and discover mathematical concepts in a fun and interactive way. We will also be holding a TTRS House Battle where students will participate in Times Tables Rock Stars battles, representing their houses and showcasing their maths skills.

To make the day even more fun and engaging, we are inviting all children (Nursery to Year 6) to dress up in clothes that relate to maths. This could be anything from a t-shirt with numbers or geometric shapes on, to a costume representing a famous mathematician or a creative outfit inspired by their rockstar status on TTRS!

We believe that this event will not only be enjoyable but also help foster a love for mathematics among our students. We encourage you to help your child come up with a creative outfit that celebrates the beauty and fun of maths.

Thank you for your support and enthusiasm. We look forward to seeing all the wonderful maths-inspired outfits!

Yours faithfully,

Mr. Tom Arnold
Head of Maths
