### Support Staff Update for September 2025

Dear Parents and Carers,

In our last staffing letter a few weeks ago, we explained that we had not yet finalised our support staff arrangements for the new academic year, as some elements of our recruitment process were still being completed.

We are pleased to share that none of our current support staff will be moving on at the end of this year. Furthermore, in line with the growth of the school and the expansion to three-form entry in Years Three and Four from September, we are delighted to be welcoming three new members of support staff to our team.

- Mrs. Adebukola Adenuga (Mrs. Bukky) – who joins us as a Teaching Assistant within Year One.
- Miss. Keira Hollings – who joins us as a Teaching Assistant within Reception & Year Two.
- Miss. Rumena Mahbub – who joins us as a Teaching Assistant within Reception.

Over the page, you will find the class organisation for the next academic year, which includes details of which phase our support staff will be based in. Please note that we use our support staff flexibly to meet the needs of pupils across different year groups and phases. This means that while some classes may work closely with a teaching assistant, not every class will have a 'full-time' dedicated member of support staff.

There is no automatic entitlement, funding, or requirement for each class (beyond Early Years) to have a teaching assistant assigned. However, our support staff play a vital role in the school and may work across year groups to provide targeted interventions, additional learning support, and pastoral care where needed.

Thank you for your continued support.

Yours faithfully,

Mrs. Jen Fraser  
Headteacher
