KS2 Spellings

Dear Parents and Carers,

We are writing to inform you about a new initiative we are introducing to help raise achievement in spelling across our school.

Starting after half term, your child will be bringing home a list of spellings each Thursday in line with our weekly homework. These will also be available on Teams. These words have been carefully selected to support their learning and match the curriculum. We kindly ask that you complete the weekly homework sheet with your child and practise these spellings at home throughout the week.

To help reinforce this learning, we will be holding a short spelling test every Wednesday in class. This will take place using the online platform Spelling Shed, and you will be able to access this score, along with many other games to support their spelling. This regular practice will help build confidence, improve accuracy, and support your child's overall progress in writing.

We appreciate your support in helping your child succeed and look forward to seeing the positive impact this will have on their spelling development.

If you have any questions or concerns, please don't hesitate to get in touch.

Yours faithfully,

Mrs. Deanna Cole
Upper Key Stage 2 Lead
