

# WEEKLY ROUND-UP

Autumn Term

Issue 14

Friday, 19<sup>th</sup> December 2025

## Hello, what a busy week it has been

Firstly, congratulations to our Year Two children who delighted their audience with their wonderful performance of *Bethlehem Bake Off*! It was a fantastic display of confidence, courage, teamwork, and festive cheer. Well done to our actors and to the Year Two team for their creativity.

Across Green Ridge children have worked incredibly hard this term and the work they have produced is superb. We are so proud of the progress everyone has made. Handwriting and spelling have really improved across the school, and the effort put in by the children, and families at home, has truly paid off.

As you know, today we say 'see you soon' to Miss. Chalmers. She has been an incredible part of our team, and we know the children have shown her lots of love and appreciation this week. We wish her all the best for the future.

To our PTA, our Fare-Sharers and our Parent Forum reps, thank you for your contributions and support throughout the term. Your efforts make a big difference to our school community.

And finally, don't miss out on the magical Green Ridge staff music video – back by popular demand! Check it out [here](#) for some festive fun!

From all of us at Green Ridge, wishing everybody a wonderful, safe winter break.

See you in 2026!

## News, Updates & Reminders

### Christmas Jumper Day

The children all looked super on Wednesday in their variety of festive jumpers and tops. Thank you for all the donations which are in aid of the Save the Children charity. We raised a total of £380.01.

### A Special Thank You!

A special thank you to our little elves (also known as some of our wonderful PTA representatives!) who have been busy wrapping Christmas gifts for the children.

On behalf of all the staff, we would also like to thank you for the thoughtful cards, generous gifts, and kind wishes we have received over the past few days. These are never expected but are truly appreciated by everyone — especially the abundance of chocolate, which will certainly keep us going into the New Year!

We wish you and your families a very Merry Christmas and a prosperous New Year.

### INSET Day Reminder

Polite reminder that Monday, 5<sup>th</sup> January is an INSET Day and the children return to school on Tuesday, 6<sup>th</sup> January 2026.

### FIA Icon Camps – Monday, 22<sup>nd</sup> December 2025

another Icon Camp here at Green Ridge on **Monday, 22<sup>nd</sup> December!** Bookings are now available via their [website](#).

FIA have also kindly offered some free places for our children in receipt of Pupil Premium. Further communication will be sent regarding this in due course.

### Out of School Achievements

Freddie, Megan, Cassia and Daisy performed in a Christmas cabaret at the weekend, delivering their performance with wonderful passion and enthusiasm. They should be extremely proud of themselves.

We have loved celebrating pupils out of school achievements over the past term. As a reminder, if your child has achieved something in an external club, we would love to celebrate it in the newsletter and add their photo to our Skills for Life display board. This can also be a snapshot of them mastering the life skills for their year group (see below).

## Online Safety Tip of the Week

### Online Safety Game

Over Christmas, there will be a challenge for children to come up with designing a creative idea for a new online safety game. The best idea will be chosen and then designed on Scratch by the Online Safety Ambassadors!

#### A few things to consider:

- Theme/backdrops
- Characters/sprites
- How to win/gain points
- How you would fail a level/lose points
- Key questions to cover
- Age range (KS1/KS2)

## Right of the Week Article

### Children With Disabilities

Every Child with a disability should enjoy the best possible life in society.

Governments should remove all obstacles for children with disabilities to become independent and to participate actively in the community.

## Sustainability Tip of the Week

### Cut Food (and packaging) Waste

A scary amount of food waste is created at Christmas, equivalent to 4.2 million plates of Christmas dinner going straight into the bin! Take steps to reduce your food waste by planning your food carefully, freezing leftovers and only buying what will be eaten.

## OPAL (Outdoor Play and Learning)

### Creating a Playful Environment

As we come to the end of another term, the children have truly enjoyed exploring the OPAL. They have had fun discovering new games and making friends while playing outside. Everyone is excited about the next term when we will add even more exciting attractions to our playground. We can't wait to see what new adventures await in the upcoming term!
