### **11 Before 11 Wildlife Warriors**

Dear Parents and Carers,

In previous years for this 11 Before 11 promise, each class planted trees to celebrate 'Wildlife Warriors'. To further support the school's vision of sustainability and caring for the planet, Year Four have more recently been tasked with creating bird boxes and bug houses to help the wildlife in our school grounds thrive.

In small groups, on Thursday, 26th February, the children will be researching suitable structures for birds and insects, and will then apply this knowledge by designing, constructing and decorating bird boxes and bug houses. An expert will be leading the activity and explaining how the small changes we make in our school grounds (or in our local communities) can have a huge impact on the environment.

Thank you for your continued support and if you have any further questions about the experience, please do come and speak to us.

Yours faithfully,

Miss. Gray, Mrs. Herring, Mrs. Colby and Mrs. Thorn  
Year Four Class Teachers
