Election of Parent Governor

Dear Parents and Carers,

We will soon have a vacancy on our Local Governing Body and are seeking a committed individual to join us in this important role, whose perspectives and insights are invaluable in helping us continue to grow and improve.

School governors play a vital part in shaping the strategic direction of the school, supporting leaders and the wider staff, and ensuring we provide the very best education and opportunities for all children.

The role of a governor includes:

- Providing strategic support and challenge to the school's leadership
- Helping to oversee the school's educational performance
- Monitoring the effective use of financial resources
- Ensuring clarity of vision, ethos, and strategic direction
- Acting as an ambassador for the school within the community

If you would like to stand for election, please complete this [form](#) by **Thursday, 26th March**. You will be required to provide a statement of no more than 100 words in which you can provide details about yourself, your views and the skills you believe you can bring to the LGB.

Yours faithfully,

Mrs. Jen Fraser
