Spring Term Assessments Papers – Years One to Six

Dear Parents and Carers,

We wanted to inform you that your child will be bringing home their spring term assessment tomorrow. These should fit in their school bags, but you may wish to provide them with an additional bag.

These assessments are carried out at the end of each term in Years One to Six. A large majority of schools use assessments as they help class teachers understand the areas where pupils feel confident whilst also identifying any topics that may need revisiting. Your child's strengths and next steps were discussed at their recent Pupil Learning Review, as well as how learning can be supported at home. In line with feedback shared in the recent parent/carer survey, and to keep parents and carers informed about what children are learning, these assessments are now being shared with you.

Please note that some children may come home with an assessment paper from a different year group than their current one. This is intentional: it ensures that pupils feel confident during the assessment while still providing teachers with valuable indicators to inform next steps in their planning.

Thank you for your continued support in your child's learning journey.

Yours faithfully,

Mr. Tom Arnold
Assistant Headteacher and Assessment Lead
