We Need YOU!

This, like all our events, relies on the help of not just our PTA committee who organise it but on volunteers. We need to have enough people to ensure we run a successful fete, to not only raise funds for our school but to make it a fun and enjoyable day. Having a large team of volunteers means not only does this make our Fete a huge success for our school and the local community who come along, but with enough volunteers it means each person who helps out can also enjoy the Fete.

We are very lucky that our school staff volunteer in large numbers to support us, which we give a massive thank you to them for.
