

WEEKLY ROUND-UP

Summer Term

Issue 31

Friday, 5th May 2026

This week, we have been celebrating Diversity at Green Ridge

It has been wonderful to see children across the school taking part in activities that highlight our inclusive ethos. From shared stories to creative projects, the week has been full of moments that remind us how much richness diversity brings to our daily experience.

Our children across Little Ridges have had an unforgettable week. Wild Fangs visited the school, giving children the chance to get hands-on with wriggling reptiles and all sorts of creepy-crawlies. The children shared so much knowledge and intrigue and demonstrated respect and confidence. Well done, everybody!

Meanwhile, the PTA are in full swing preparing for the Summer Fete on Friday, 12th from 4pm. This event is always a highlight of the school calendar, and the team are working incredibly hard behind the scenes. They are in real need of volunteers to support alongside the staff of Green Ridge. The money raised by the PTA each year has a significant impact on the provision we can offer our children. It enhances learning, enriches play, and helps us create the vibrant school experience our pupils deserve. If you're able to help, please do consider offering your time. Even giving an hour would make a meaningful difference.

From all the froglets at Green Ridge, have a wonderful weekend.

If your child usually wears their PE kit on a Friday, please ensure they wear their normal uniform, and their PE kit is bought in with them.

Dress Down Day for Lynx Gym

We are delighted to share that Sophie and Ava raised an amazing £450 for Lynx Gym, this can go towards rebuilding and supporting the children and staff affected. We are very grateful and really appreciate the support everyone has shown.

Well done Sophie and Ava, for coming up with such a wonderful idea!

Pupil Parliament Pond Project

'Dress like a Pond Animal' was a fantastic success and that is all thanks to everyone's efforts to make it such a special and memorable day. Currently, we have raised £400 with some more donations still to come. It was great to see so many different pond animals represented through some imaginative and creative costumes, such as; ducks, frogs, and even some butterflies! Pupil Parliament and I want to take this opportunity to say a huge thank you for your very generous donations and fantastic efforts. We will be having a meeting to discuss what the children would like to purchase to make our pond even more special. Thank you for your continuing support.

Sun Safe Schools

You can find the UV forecast for the next few days below. If the UV forecast is 3 or above, children should have sun cream applied and be provided with a hat and sunglasses to further protect themselves. It is not just about how sunny it is as there can be a high UV on a cloudy day. Please follow this [link](#) to check the forecast each day.

Out of School Achievements

Reggie went to the BJJ ALL STARS Compet. Reggie competed at the BJJ All Stars Competition over the weekend and delivered an outstanding performance. After two incredibly tough and hard-fought matches against strong opponents, he showed great determination, skill, and resilience on the mats. His

efforts paid off as he earned a well-deserved bronze medal, a fantastic achievement that reflects all the hard work and dedication he has put into his training. Congratulations to Reggie on a great result and a successful weekend of competition!

Online Safety Tip of the Week

Managing Online Information – KS1

Speak to your child about using child-friendly search engines such as 'Kiddle'.

Also, re-explain that key words and simple searches help us find relevant information.

WhatsApp Group Chats Guides – KS2

If your child is allowed WhatsApp, you may want to change one of their settings to ensure they cannot be added to group chats without giving permission.

Right of the Week Article 32

Protection From Harmful Work

Governments must protect children from work that is dangerous or might harm their health, development or education.

Governments must set a minimum age for children to work and ensure that work conditions are safe and appropriate.

Sustainability Tip of the Week

Buy Local

Support local farmers and businesses by buying locally produced products. This can reduce the environmental impact of long-distance transportation.

OPAL (Outdoor Play and Learning)

Parachute Fun

The children have really enjoyed using the parachute in our OPAL sessions this week. It has been so much fun to see them playing with it on

the field. It's wonderful to watch how the kids engage with OPAL and take part in all the fun activities we offer. This experience helps them stay active and enjoy their time outside. We are excited to keep exploring new games and fun experiences with them.
