Start of the Day Routines in Year 3

- Classroom doors open at 8.40am . School starts promptly at 8.50am.
- Pupils complete morning fluency as part of the maths curriculum between 8.45am-8.50am. Where possible, please ensure that your child does not miss this opportunity.
- Doors will close at 8.50am and this is when the register begins. We are asked that once doors close, they are not re-opened for any late pupils. Late pupils must go via the office to sign-in and give a reason for lateness.
- We ask that you leave children at the door in the mornings and allow children to walk into the classroom by themselves.
- Parents/carers can pass on any quick messages to staff at the door in the mornings. However, if parents/carers do need to speak with your child's teacher about something that is urgent and in private, then please do make an appointment through the main office by telephone or e-mail.

End of the Day Routines in Year 3

- The school day finishes at 3.20pm. Pupils will only be allowed to leave with an adult who is on the school's permission list. Please be patient with us in the first few weeks should we need to check before allowing a pupil to leave, as many new adults in year-groups may not know all faces around the school!
- When the member of staff who is dismissing has seen a child's adult waiting on the playground then they will be called and allowed to leave.
- Children will be collected from their classroom door.

Things to Bring

- PE Kit – this will need to be worn to school on PE days (Thursday and Friday) and brought to school to change into if your club has a sports-based enrichment club after school.
- Named water bottle
- Small ruck-sack
- Reading book (if a free reader and choosing to read a book from home)

Please do not let your child bring in any squashies, toys or personal belongings unless we have specifically requested!

PE/Games

- PE in Year 3 is on a Monday and Wednesday.
- Children should come to school on these days wearing their full PE kit.
- Children should be prepared to go outside whatever the weather, so please ensure they are dressed appropriately.
- A reminder to all parents and carers to please refer to our Uniform Policy for guidance on PE kit expectations. On PE days, children should come to school dressed a house-coloured branded T-shirt, black shorts or jogging bottoms, a plain black fleece or jumper and trainers. Children should not be coming to school in non-uniform or casual clothing on PE days.

School Behaviour Charter, Values and Learning Superheroes

Use kind words and actions		Listen to one another		Try our best	
Honesty	Friendship	Forgiveness	Responsibility	Gratitude	Respect

Behaviour Policy

- We use the THRIVE approach as core part of our pupils' well-being, behaviour, and development.
- We have adopted the Norfolk Steps therapeutic approach to behaviour. The emphasis on consistency of approach and response, the teaching of internal rather than external discipline.

Pupils will no longer be given a level instead we will follow the following steps...

1. Verbal reminder (a discrete warning that their behaviour is unacceptable)
2. Turnaround time (redirecting the focus. 1:1 chat with teacher or TA to explain direct consequences of their choice).
3. Some children may require Take-up time
4. Time to change (if behaviour persists, children stay in with the teacher and discuss their behaviour and/or complete their task. This time should be used with restorative approaches: Respond, Reflect, Repair, Restore.
5. Children will have a fresh start once a restorative conversation has happened

Behaviour Policy

Rewards and positive reinforcement

- Verbal praise
- Sharing pupils' work with other staff or pupils to celebrate
- Communicating praise to parents via phone call or written correspondence
- Certificates
- Positions of responsibility, such as prefect status or being entrusted with a particular decision or project
- Whole-class or year group rewards, such as a popular activity.
- Learning dots
- House points

Learning Themes & Trips Across the Year

- Autumn 1 – Flint, Fire and Forage. In this unit, the children will learn about who the Stone Age and the Neolithic revolution.
- Autumn 2 – Cities, Counties and Countries. In this unit, we learn about the UK and how it is separated in cities and counties. We will be exploring our own county and it's surrounding areas.
- Spring 1 – Tribal Tales. Another time travelling unit, where the children will explore the Iron Age and Bronze, how they lived and how they have adapted from the Stone Age.
- Spring 2 – What's beneath our feet. In this unit, we will explore the tectonic plates of the Earth and how this creates mountain ranges and new land to also it's destructive nature,
- Summer 1 – Rampaging Romas! In this unit, we will explore who the Ancient Romans were and then learn in more detail about how they change Britain forever.
- Summer 2 – Shakes and Quakes. In this unit, we will be comparing countries that lie on the tectonic plate fault lines and how this affects everyday lives. While also exploring the Reicher scale.

Learning Themes & Trips Across the Year

To enhance and enrich the children's learning experiences, Year 4 are planning to attend the following educational visits throughout the year.

- 10th February 2027 – Chiltern Open Air Museum (Alder)
- 11th February 2027 – Chiltern Open Air Museum (Cedar and Chestnut)
- 5th May 2027 - Hiking Heroes (11B411) (Alder)
- 6th May 2027 - Hiking Heroes (11B411) (Cedar and Chestnut)
- June 2027 - Messing About on the Water (11B411)

Please note that all trips are subject to change depending on availability, costs, and the level of parental contributions received.

Reading Expectations in Year 3

- The children will be able to choose from the colour banded books based on their fluency level. To ensure that reading at home is an enjoyable experience and supports the children's confidence and fluency, we will ensure your child can read 95% of the words within these books. Children will then progress to being free-readers. This means they can choose a book of a suitable level from home or school to read.
- The children will complete reading daily in school and will be heard by adults within their class. Each child will be heard read once a week by an adult during these sessions.
- The children will visit the library every two weeks on a Tuesday.

Home Learning Expectations

Each week (on a **Thursday**), pupils will be set a multiple-choice quiz on Microsoft Teams. This will include 10 questions that are linked to the lessons that week. Once completed pupils will receive instant feedback to know how they did. This quiz will be due on the following **Wednesday** by 8:30am. Children who do not complete the quiz will need to complete this in school on the Wednesday outside of normal teaching time.

Each half-term, children will also have the opportunity to complete 9 open-ended/creative tasks linked to topics that are covered. These are optional and pupils can choose to do whichever ones they are interested in. Pupils who complete these challenges can either upload their work to teams or bring it into school where they can earn house points.

In addition to this we expect pupils to read daily and to practise their times tables (up to 12x12 with associated division facts) at least 5 times per week.

How parents/carers can support at home

Support your child in becoming more independent – packing their bag the night before.

Ensure there is time set aside to complete home learning tasks.

Read with your child to provide opportunities to ask questions that develop comprehension skills.

Quick-fire times table/number fact games and questions to support recall of facts.
